

INITIAL REVIEW CRITERIA QUESTION AND RESPONSE	
	1. Does the owner indicate by his/her asking price a willingness to sell below market value range?
	2. Are there any other funds available to contribute towards the purchase price of the parcel?
	3. Does the parcel contain any documented environmentally sensitive lands?
	4. Does the parcel have important water resource features?
	5. Is the parcel contiguous to a protected environmentally sensitive land or water body?
	6. Is there good potential for long term management of the property?
	7. Are the native plant communities or water resources on the property in danger of being detrimentally altered?
	NUMBER OF CRITERIA THAT THE PROPERTY MEETS
	Within Lee County Mitigation Plan
