

# Wildlife Species List for Mullock Creek Preserve

| Scientific Name   | Common Name             | Designated Status |     |       |
|---|-------------------------|-------------------|-----|-------|
|   |                         | FWC               | FWS | FNAI  |
| <b>MAMMALS</b>  |                         |                   |     |       |
| <b>Family: Dasypodidae (armadillos)</b>   |                         |                   |     |       |
| <i>Dasypus novemcinctus</i>   | nine-banded armadillo * |                   |     |       |
| <b>Family: Felidae (cats)</b>   |                         |                   |     |       |
| <i>Lynx rufus</i>   | bobcat                  |                   |     |       |
| <b>Family: Procyonidae (raccoons)</b>   |                         |                   |     |       |
| <i>Procyon lotor</i>  | raccoon                 |                   |     |       |
| <b>Family: Suidae (old world swine)</b>   |                         |                   |     |       |
| <i>Sus scrofa</i>   | feral hog *             |                   |     |       |
| <b>Family: Sciuridae (squirrels and their allies)</b>                             |                         |                   |     |       |
| <i>Sciurus carolinensis</i>   | eastern gray squirrel   |                   |     |       |
| <b>BIRDS</b>  |                         |                   |     |       |
| <b>Family: Cathartidae (new world vultures)</b>                                   |                         |                   |     |       |
| <i>Coragyps atratus</i>   | black vulture           |                   |     |       |
| <b>Family: Accipitridae (hawks, kites, accipiters, harriers, eagles)</b>          |                         |                   |     |       |
| <b>Subfamily: Buteoninae (buzzard hawks and eagles)</b>                           |                         |                   |     |       |
| <i>Buteo lineatus</i>   | red-shouldered hawk     |                   |     |       |
| <b>Family: Picidae (woodpeckers)</b>  |                         |                   |     |       |
| <i>Melanerpes carolinus</i>   | red-bellied woodpecker  |                   |     |       |
| <i>Dryocopus pileatus</i>   | pileated woodpecker     |                   |     |       |
| <b>Family: Vireonidae (vireos)</b>  |                         |                   |     |       |
| <i>Vireo solitarius</i>   | blue-headed vireo       |                   |     |       |
| <b>Family: Corvidae (crows, jays, etc.)</b>                                       |                         |                   |     |       |
| <i>Cyanocitta cristata</i>  | blue jay                |                   |     |       |
| <b>Family: Troglodytidae (wrens)</b>  |                         |                   |     |       |
| <i>Thryothorus ludovicianus</i>   | Carolina wren           |                   |     |       |
| <b>Family: Sylviidae (gnatcatchers)</b>   |                         |                   |     |       |
| <i>Polioptila caerulea</i>  | blue-gray gnatcatcher   |                   |     |       |
| <b>Family: Mimidae (mockingbirds and thrashers)</b>                               |                         |                   |     |       |
| <i>Dumetella carolinensis</i>   | gray catbird            |                   |     |       |
| <i>Mimus polyglottos</i>  | northern mockingbird    |                   |     |       |
| <b>Family: Parulidae (wood-warblers)</b>  |                         |                   |     |       |
| <i>Dendroica coronata</i>   | yellow-rumped warbler   |                   |     |       |
| <i>Dendroica palmarum</i>   | palm warbler            |                   |     |       |
| <i>Geothlypis tristis</i>   | common yellowthroat     |                   |     |       |
| <b>Family: Cardinalidae (cardinals, some grosbeaks, new world buntings, etc.)</b> |                         |                   |     |       |
| <i>Cardinalis cardinalis</i>  | northern cardinal       |                   |     |       |
| <b>REPTILES</b>   |                         |                   |     |       |
| <b>Family: Alligatoridae (alligator and caiman)</b>                               |                         |                   |     |       |
| <i>Alligator mississippiensis</i>   | American alligator      | SSC               |     | G5/S4 |
| <b>Family: Emydidae (box and water turtles)</b>                                   |                         |                   |     |       |
| <i>Pseudemys floridana peninsularis</i>   | peninsula cooter        |                   |     |       |
| <i>Pseudemys nelsoni</i>  | Florida redbelly turtle |                   |     |       |
| <b>Family: Testudinidae (gopher tortoises)</b>                                    |                         |                   |     |       |
| <i>Gopherus polyphemus</i>  | gopher tortoise         | T                 |     | G3/S3 |
| <b>Family: Polychridae (anoles)</b>   |                         |                   |     |       |
| <i>Anolis sagrei</i>  | brown anole *           |                   |     |       |
| <b>Family: Colubridae (colubrids)</b>   |                         |                   |     |       |
| <i>Coluber constrictor priapus</i>  | southern black racer    |                   |     |       |
| <b>AMPHIBIANS</b>   |                         |                   |     |       |
| <b>Family: Ranidae (true frogs)</b>   |                         |                   |     |       |
| <i>Rana utricularia</i>   | southern leopard frog   |                   |     |       |

| <i>Anartia jatrophae</i>                          | white peacock            |                   |     |      |
| <b>GASTROPODS</b>                                 |                          |                   |     |      |
| <b>Family: Ampullariidae (apple snails)</b>       |                          |                   |     |      |
| <i>Marisa cornuarietis</i>                        | giant ram's horn snail * |                   |     |      |
| <i>Pomacea paludosa</i>                           | Florida apple snail      |                   |     |      |

## KEY:

**FWC = Florida Fish & Wildlife Conservation Commission**

**FWS = U.S. Fish & Wildlife Service**

E - Endangered

T - Threatened

SSC - Species of Special Concern

**FNAI = Florida Natural Areas Inventory**

G - Global rarity of the species

S - State rarity of the species

T - Subspecies of special population

1 - Critically imperiled

2 - Imperiled

3 - Rare, restricted or otherwise vulnerable to extinction

4 - Apparently secure

5 - Demonstrably secure

\* = Non-native
